OUR RULE ABOUT
SAUSAGE

When the weather is so cold as it is just now nothing which one can eat looks more tempting than a nice, brown, sizzling hot slice of Sausage. For some people the attraction, however, is lessened because they are afraid to eat Sausage when they do not know what it contains. Now if they know that that piece of Sausage came from Smith & Cumings, they know that it contains absolutely nothing but perfectly good meat. Our Sausage is Sausage that you wouldn't sell to customers.
